*It is my understanding that the **Player Win/Loss statement** is provided as a courtesy. The data contained in this report may not be an accurate reflection of all my activity as it is prepared from the use of player tracking cards and manually rated table play activity. This information does not include slot activity during the times in which the card is not inserted in the machine or during periods when the player tracking system is malfunctioning. There may have also been occasions when my player's card was inadvertently left in the machine and play generated by another patron was recorded on my account. I further acknowledge this report should not be relied on for tax reporting purposes. The Akwesasne Mohawk Casino Resort does not guarantee the accuracy of the win/loss statement.*

Please allow a minimum of **14** days to process your statement. For Canadian residents, expect a slight delay, allowing time for international mailing.
